Junior Job Shadow Day 2019

Of all the issues facing rural places, retaining young people may be one of the most vital strategies for the long-term viability of our community. More often than not, students admit that they are unaware of the career opportunities that are available in their hometown, which leads them to look for gainful employment elsewhere.

Following the reVision Process in 2017, Wayne Community Schools decided to coordinate Junior Job Shadow Day. The event was first held in the spring of 2018 but based on feedback it was determined that fall was a better time and the second Junior Job Shadow Day was hosted in October 2018. While the Junior Job Shadow Day is meant to provide WCS Juniors with insight on their career choices, the event is also an opportunity for area businesses to highlight the myriad of careers that Wayne supports.

In late August, Wayne area businesses should have received a letter from Wayne Community Schools with a partnership invitation for their Junior Job Shadow Day, which will be held on Tuesday, November 5. We urge all businesses to sign up for the event to allow students to get a behind the scenes look and visit with other employees about what they do and how they found their career path.

Once you have been assigned a student shadow, you can plan what activity they might enjoy. Depending on your business, you might allow the student to do some limited, hands-on tasks. Show off your computer programs and let the student(s) drive or make a quick entry in the various software programs you use such as billing software, design programs, or any industry specific computer applications, etc. Stress the importance of promptness, attendance, appropriate personal appearance and attire and a positive work ethic. Convey to the students the advantages of locating your business in Wayne and the quality of life issues that keep you doing business here. Please understand that there are far more businesses in the Wayne area than there are WCS Juniors, so there is a good chance that not all businesses will be assigned a Shadow Student. However, signing up will ensure that WCS has all of the business/student match opportunities at their disposal.

We have included a copy of the invitation letter and the sign up form in the WayneWorks Exchange. If you have any questions about the Junior Job Shadow Day, please contact Lindsey Knutson, Wayne High Counselor, at (402) 375-3150 or liknuts1@waynebluedevils.org.
Wayne State College will host 2019 Homecoming “Let the Good Times ROAR!” festivities Sept. 30 through Oct. 5 on campus. Wayne State College alumni will be recognized during two awards banquets and affinity reunions will be held during Homecoming including a Carhart Math and Science Alumni Reunion, WSC Rugby Reunion, Zeta Tau Omega 20th Anniversary, and a 60s, 70s, and 80s Greek Reunion. Honored classes this year include the Classes of ’59, ’69 and ’79 for their 60-, 50-, and 40-year reunions. The Wildcats will take on Minnesota Crookston at 1 p.m. Saturday during the annual Homecoming football game. The Wildcat volleyball team will play Minnesota State-Mankato at 6 p.m. Friday and Concordia-St. Paul at 4 p.m. Saturday, both in Rice Auditorium. The Homecoming and Band Day Parade will begin at 9:30 a.m. Saturday. Visitors can also enjoy WSC students displaying expressions of music, art, language, and literature during the annual Artswalk on Wednesday and Thursday, Oct. 2-3. Planetarium shows will be featured Friday and Saturday. Businesses are encouraged to decorate their windows in support of the Wildcats and put out the WSC Welcome signs. It would also be fun to recognize themselves and employees who are WSC alumni.

For more information about Homecoming 2019, to see the detailed schedule of events, and to RSVP to attend, visit www.wsc.edu/homecoming or contact the Alumni Office at 402-375-7370.

Wayne Ambassadors welcomed Wayne’s newest coffee shop, The Table, with a Ribbon Cutting during Chamber Coffee on Friday, August 16.

The Table, located at 203 Main Street, is now open Mondays through Fridays from 7 am - 9 pm and Saturdays 7 am - 2 pm. Breakfast is served from 7 - 11 am and a lunch menu is available from 11 am - 2 pm Monday through Saturday.

Life Happens at The Table
Revitalize Wayne is making plans to ring in the holidays during Christmas on Main. The traditional Christmas on Main events are scheduled for Thursday before Thanksgiving, November 21. The Trolley will return again this year to take riders on a short drive, taking in as many festively decorated locations as possible. While still a work in progress, please refer to the Holiday Promotion Plan included in this newsletter for an outline of anticipated activities. Groups or organizations wishing to provide an activity during Christmas on Main should contact the WAED office to be included on the list of events. Business representatives who wish to have input on the Holiday Promotion Plan should attend the Revitalize Wayne meeting on September 10 at 8 am in the South Meeting Room.

The following ideas will need to be solidified this month and promoted leading up to the holidays:

* 2nd Annual Window Decorating Contest—businesses were judged during Christmas on Main and prizes of Advertising packages awarded to the winners.

* Holiday Stamp Card Promotion effective dates and weekly drawings. $700 is budgeted for this annual holiday give-away.

* Tree Lighting Ceremony at 7th & Main to start the Parade of Lights.

* Parade of Lights will begin at 6 pm with Santa’s sleigh hosted by Revitalize Wayne. Based on feedback from last year, WAED respectfully requests that this be the only live Santa in the parade.

* Santa and Mrs. Claus will be available for photos with kids at 210 Main Street. We are looking for one or more groups to provide a simple craft or coloring activity and to help keep things orderly for Santa and Mrs. Claus.

* The Jolly Trolley has been booked, however it needs a sponsor. It was also noted that besides a step-on guide to narrate along the route, there needs to be a host at the loading station to let people know what all is going on around town and when the trolley will return for the next group of riders.

* It was also suggested to provide a Gifts from the Heart Donation Site where people can take donations for the Coat Closet, Food Pantry, Gifts for Kids, etc. during Christmas on Main or throughout the season.

* Shop Small Saturday continues to gather attention for local small business.

Other events that will take place in November and December are the bi-annual Friends of the Museum Tour of Homes, the Ring Around Wayne Bell Choir Concert, and Black Friday and Shop Small Saturday.

The new Shop Local Guides were well received by WSC College students during Back to Campus events last month. Approximately 400 Downtown Historic District Maps are printed and distributed by the WAED office each month. WAED staff will be updating the Shop Local Guide and the Downtown Historic District Map for the last quarter. Businesses can access a Google Doc from the Wayne, NE Facebook Page or contact the WAED office by September 10 to make any changes to your listing.
Wayne Community Housing Development Corporation has recently hired a new Executive Director. Ryan Hix began working in the WCHDC office, co-located with WAED at 108 W 3rd Street, at the beginning of August. Ryan is no stranger to the community; he was born, raised and attended school in good ol’ Wayne America. His wife, Kim, is a 4th grade teacher and they have three children: Elizabeth, Benjamin, and Nicholas.

Ryan says that he has always had a passion for the community of Wayne and that has only grown as they raise their kids here. “Wayne is truly a great place to raise a family and I love seeing how our town has grown throughout the years.” As a recent graduate of Leadership Wayne, Ryan noted that the experience made him realize how much more he could be involved.

The WCHD Executive Director position allows Ryan to connect with current residents and those who want to live here. After just a few weeks on the job, Ryan says his favorite thing so far is the opportunity to help people through the daunting process of purchasing their first home.

For more information on Wayne Community Housing and the services available, call Ryan at 402-375-5266 or email him at wchdc@wayneworks.org. Typical office hours are Monday-Friday 8am -noon and 1-5pm, but Ryan is quick to say that appointments are appreciated as he is often out of the office working with clients, realtors, and lenders.

Thank you, WAED members, for your support of the Nebraska Extension 4-H program. Thank you for making the 2019 programming year a success. We appreciate the numerous businesses and the volunteers who devote their time and resources to our 4-H youth. Your support is surely recognized and appreciated all year long, and especially during the Wayne County Fair.

Community Award Nominations

Now is the time to start putting together nominations for the Community Awards that will be presented at the Annual WAED Banquet on January 26, 2020.

Since 1977, the Chamber of Commerce has annually recognized a Citizen of the Year, an individual who has significantly contributed to the betterment of our community. The Educator of the Year Award was first presented in 1996 to recognize a full time instructor for excellence in the classroom and outstanding community involvement. Looking back through these award winners, it is quite a list of accomplished and selfless men and women who have made an impact in the Wayne area.

More recently, since 2007, Wayne Area Economic Development has recognized Businesses of the Year and a Most Valuable Patron each year. The Large and Small Business of the Year were combined into a Business of the Year in 2017. The MVP awards an individual, business, or organization for their support of Wayne Area Economic Development. These awards are determined by committees made up in part by previous winners who review and score the nominations. If you have been thinking that you know someone who should be recognized, why not fill out a nomination for them? You can take it a step further and ask others to also complete a nomination as a way of conveying all the accomplishments and the ways that the nominee is involved in public service and volunteer organizations.

Bressler-fest Frames September Weekends

In anticipation of a new stage in Bressler Park, Bressler-fest should have a fresh look in its third season.

Scheduled for four Sunday evenings, September 8, 15, 22, and 29; musicians will entertain from 6-8 pm. See the attached flyer for a full list of the bands. Bring your blankets, lawn chairs, picnic basket and refreshements. Food trucks will be on site as early as 5 pm for this family friendly music-in-the-park series. Kids are free to play in the park or chalk a sidewalk, while others compete in cornhole and frisbee challenges. Family and friends are welcome to stake out a gathering spot and relish the final hours of the weekend.

If you or your business would like to sponsor any of the Bressler-fest bands, please contact Jill Brodersen.
Chicken Show-40 years & Still Clucking

40 years ago Post-It Notes were invented, Mount St. Helens erupted, CNN was launched, the cost of a gallon of gas was $1.19, and the Wayne Chicken Show hatched its first appearance. The Chicken Show committee is gearing up for the 40th Annual Wayne Chicken Show that will take place July 10-12, 2020. The committee is currently accepting any theme ideas for the 40th Chicken Show. Last year's theme was Chickens Around the World. When the committee considers a theme, they are looking for a connection to entertainment, t-shirt design, decorating opportunities for cement chickens, and related activities. Please contact the office if you have a theme to suggest. The committee meets the second Monday of each month at 5:30 pm and locations will change from month to month. September’s meeting will take place on September 9 at 5:30 pm in the back room of The Max. Please contact Abby if you would like to stay up to date on where meetings are held or like and follow the Wayne Chicken Show on Facebook.

Electronics Recycling

The Wayne Green Team invites all surrounding communities to its annual electronics recycling event Saturday, September 14, 2019, eastbound on 3rd Street between Lincoln and Pearl, next to the Wayne City Hall parking lot. This block of Third Street will be closed to traffic. Enter from Lincoln Street to unload your electronics and exit onto Pearl Street. The event starts at 8am and ends at 10am, or earlier if the truck fills up.

Bring your old TVs, computers, cell phones, printers, cords and more. Sorry, no large appliances, batteries or VHS tapes accepted. Visit our FAQ for a complete list of acceptable items. Requested donation of $10/carload or $50/business load of reasonable size, and fees for CRTs (tube) of $5/monitor and $10/TV (no charge for flatscreens). There is a $10 fee per microwave. Funding comes from the Nebraska Department of Environment and Energy with electronic recycling services by First Choice Recycling from Sioux City. Volunteer support comes from the Wayne State College Men's Basketball team and Women's Soccer team. Help keep harmful substances out of landfills and bring your electronics to be recycled.

This is the 7th electronics recycling event hosted by the Wayne Green Team. Since 2013, our community has recycled over 100,000 pounds of electronics, which means 52 tons of harmful materials kept out of our landfill. Thank you for recycling right by bringing your electronics to our annual event.

Dear Professional Partner,

Plans for the third Junior Job Shadow Day are underway. We’re planning the event for Tuesday, November 5. The time slots will be 9-11 a.m. or 1-3 p.m. Please mark if you are able to host students for both time slots by circling one or both options.

Stipulations: If there are any specific things students need to know such as dress code, confidentiality, etc. please note that on the following page.

We are both blessed and grateful for community members’ willingness to accept students. As with previous years, we won’t know which career fields the students are interested in until we’ve surveyed them, so you may get one student, a couple of students, several students, or none this year. It helps us to know what businesses are available, though, for when it comes time to match them up.

If you’re willing to host juniors this year, please complete the attached business sign-up sheet and either scan it into an e-mail or send it back to me at the high school. When we have more information in the coming weeks, we’ll contact you. If you have questions, don’t hesitate to ask.

Thank you again for your consideration, and I hope to hear from you soon.

Please return by Friday, September 6th.

Our Adult Book Club is reading “Goodnight, Nebraska” by Tom McNeal this month. At the age of 17, Randall Hunsacker shoots his mother's boyfriend, steals a car and comes close to killing himself. His second chance lies in a small Nebraska farm town, where the landmarks include McKibben's Mobil Station, Frmka's Superette, and a sign that says The Wages of Sin is Hell. This is Goodnight, a place so ingrown and provincial that Randall calls it "Sludgeville"—until he starts thinking of it as home. In this pitch-perfect novel, Tom McNeal explores the currents of hope, passion, and cruelty beneath the surface of the American heartland. In Randall, McNeal creates an outcast whose redemption lies in Goodnight, a strange, small, but ultimately embracing community where Randall will inspire fear and adulation, win the love of a beautiful girl and nearly throw it all away. Join the discussion Tuesday, September 24th at 6:30 PM at the Senior Center.

Wednesday September 25th at 2:00 PM, kids are welcome to join us when Wayne Community School lets out early for a showing of a newly released tale from the Arabian Nights realm, featuring a street rat, a sultan’s daughter and a genie. Run time is 2 hours and 9 minutes for this PG movie. Treats will be served.

The Needle Night group continues to meet. This is a very informal group and isn’t limited to knitting. “We welcome anyone who crochets, weaves, etc. and set aside every Thursday from 6-8 PM for needlework with all who shows up.”

Stop by anytime to learn more about our ebook and audiobooks that can be downloaded or streamed to any personal devices. Also visit our website at cityofwayne.org/library, or follow us on Facebook to stay in the know about what is happening at the library.
