

## What are Chamber Bucks?

Wayne Area Economic Development produces Chamber Bucks gift certificates that are accepted as cash by Chamber Members in the Wayne area. They are purchased as an even exchange with 100% deposited into a special clearing account at Elkhorn Valley Bank & Trust. Chamber Bucks are in the form of a check and should be treated the same as cash for the printed amount.

**Chamber Bucks** are available in denominations of \$5, \$10, and \$20.

**Chamber Bucks** allow the purchaser to buy goods and services from Chamber members in the Wayne area. They are not usable at out of town retailers. The economic buying power of Chamber Bucks contributes substantially to the stability and economic viability of Wayne Area merchants. Once Bucks are purchased from the Chamber office, they are as good as cash for the printed check amount.

Did you know that Chamber Bucks contribute over \$160,000 annually to the local economy.
